Dear Ms. White:

This is to acknowledge receipt of your correspondence regarding South Carolina Electric & Gas Company.

In March 2004 the General Assembly enacted legislation which created the Office of Regulatory Staff. As a result of that legislation, effective January of 2005, the Public Service Commission took on an exclusively judicial role. All resources for the investigation and resolution of consumer inquiries and complaints were assigned to the Office of Regulatory Staff.

I have forwarded your correspondence to that Agency's Consumer Services Department for handling; I am sure you will receive a response once their investigation has been completed.

Yours very truly,

Dear Mr. Mitchell -

According to the State Newspaper - October 26, 2005, SCE & G customers who only use gas for winter heating will be experiencing a drastic increase in our bills.

I wish to protest this because I live in the Three Mountains area & have to use MCEC for electricity. SCE & G is not available to me for electricity.

Please take this under consideration.
Thank you -

Sincerely,

Harlene White
